

## Welcome Message from the Chairman

We are indeed grateful to God for His gracious blessings during the year 2016. We are now entering an unknown year (2017) believing God is our Guide and Protector.

During the past year God has been so good to us that we have successfully achieved the following:

- a. RAIS accreditation is extended for six years by the Western Association of Schools and Colleges (WASC) and that is until June 30, 2022.
- b. The Office of Private Education Commission (OPEC) evaluated our school in March 2016 and RAIS received a rating of 98.5%
- c. For the first time ISO 9001:2015 evaluated RAIS on the 18<sup>th</sup> of November, 1<sup>st</sup> and 2<sup>nd</sup> of December 2016. We are delighted to announce that RAIS is certified for 3 years by ISO 9001:2015
- d. The construction work is in progress for expanding the facilities of school for the benefit of all students. It is expected to be completed by August 2017.
- e. Two trainers from USA, trained our teachers on the Common Core Curriculum for English Language Arts and Mathematics, to update them on the latest curriculum innovations.

The school remains thankful to all committed and sincere members of the faculty and staff, as well as our supportive parents, for their valuable contribution to the success of our school throughout the years. We praise God for having brought us thus far.

I wish everyone a very wonderful and prosperous year. May the beginning of this year fill your hearts with new hopes and bring promises of brighter tomorrow. May God's bountiful blessings be upon us as we move forward facing the challenges of this year.

May God continue to bless us all.

With best regards,

**Mr. Udom Srikureja, Chairman  
RAIS Board of Management**
