Dear Parents,

## **SUBJECT: SUMMER SCHOOL**

### **Greetings from RAIS!**

The year is very close to being completed and plans for the summer and next year are being made. As there is a vast amount of planning that goes into the summer school each year, we would like to have all of the information on who will be attending this wonderful program so we can make sure all preparations fit all expectations.

As the regulations in Thailand are increasingly relaxing due to the majority of the population being vaccinated, we are planning to have a full onsite summer school.

Therefore, please use the attached form to indicate where your child will be studying during the summer, then it can be sent back to the school with your child, or a scanned copy can be sent digitally to the front office. The deadline for registration is June 17<sup>th</sup>, so you have a little time to decide, but don't wait too long as spaces can fill up fast.

The summer school program really is the best way to get used to the next grade, or if it's your child's first time in RAIS, just to get used to the school.

May God bless you and your family this Songkran holiday and beyond.

Yours Sincerely,

**RAIS Administration**
