Welcome Message from the Chairperson

It has been 17 successful years since Ramkhamhaeng Advent International School opened its doors, through God's divine calling and leading. We are indeed grateful to our Creator for His continuous blessings for the success of this institution.

We welcome our students, faculty and staff as we open the doors of RAIS for another fruitful year.

In March 2016, the Western Association of Schools and Colleges (WASC) has extended accreditation of RAIS for six years until 2022. The Office of the Private Education Commission (OPEC) awarded RAIS a rating of 98.5 %. In January 2017, RAIS was certified by ISO 9001:2015 for a 3-year period, guaranteeing high standard of quality management system and customer service to our parents, students, and employees.

It was a blessing that we were able to purchase land adjoining the present school campus. At the moment, a six storey building is being constructed to increase the facilities for the benefit of our students' recreation and educational pursuits.

We are certainly proud of the achievements of our students. I truly acknowledge the support and the suggestions given by our parents for the development of this institution. My faculty and I would like to thank our beloved parents for placing their trust and confidence in us.

I am grateful to my fellow administrators, faculty and staff for their commitment and dedication in carrying out the responsibilities for the success of RAIS.

We begin another academic year (2017-2018) with confidence, facing the challenges of the year, trusting in the promises of God, for a successful tomorrow.

May God bless you all.

Udom Srikureja
Chairperson, RAIS Board of Management
