September 21, 2018

Dear Parents:

On September 26, 2018, we will be having our Career Day booth display for the first time. This year's theme is focus on getting information about jobs and career that the students can become in the future. Various activities will be happening in connection with this program. In line with this, we would like to inform you that job exploration was done by our students inside campus and off campus in preparation for this activity.

On the career day itself, we are encouraging our students to wear a costume of a job that they want to have in the future. This is not compulsory so, in case your child cannot find a costume kindly let your child wear the school uniform on this day. Those who choose to wear a costume, they will be allowed to wear the whole day.

This activity aims to let the students understand and recognize jobs or careers they may choose in the future.

If you have any questions regarding this matter, please feel free to ask the respective counselors in every section @ 02-3700316-7 ext. 324,262. You can also visit us at the Guidance office.

Thank you for your support and cooperation.

Respectfully yours,

Mrs. Veverly Lou Mamulang
Head of the Guidance Counselor
