Dear Parents of Preschool:

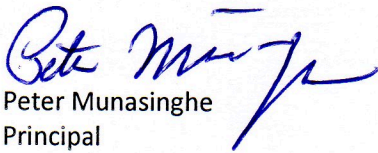

PRESCHOOL CLOSED ON 20th SEPTEMBER FOR GENERAL CLEANUP

Greetings from RAIS! We have noticed that several children of the preschool are getting sick. Some have missed school owing to the sickness. RAIS administration has decided to do a thorough cleanup in the preschool section starting from 20th morning. Therefore, please note that we will not have preschool classes on Friday the 20th.

Parents please allow your children to rest during the long weekend and recuperate from their ailments. We intend to start the preschool classes on Monday the 23rd. However, if your child does not feel well please allow him/her to stay at home and rest till the child is completely well.

We hope the measures we take will create a good and a healthy environment for your children to learn and play. We are very much concerned about their wellbeing.

With best regards,

Peter Munasinghe
Principal
