Dear Parents:

Greetings from RAIS!

I hope this letter finds you and your family well and hope that you are managing the challenging times we are currently living in. We are almost coming to the end of the school year and very soon our grade 12 students will be joining their Universities. In this regard, I would like to inform you that the school year for our grade 12 students ends on April 30, 2020, which is also the last day for online learning. Our teachers will be finalizing the grades by the first week of May 2020. Please note that the students can collect their report cards and diplomas from May 18 onwards from the Registrar's office.

We thank you all for your support toward our school program. If you have any questions or concerns, please do not hesitate to contact me.

With kind regards,

Sincerely,

Anand Rao Manduri
Head, High School
