Dear Parents:

**Re: Extension of Online Learning**

Greetings from RAIS! As we are observing the situation, the number of COVID-19 cases is still high and therefore, it is necessary to continue in doing online classes. We would like to ensure you that we are doing everything possible to give the best for our students through online classes.

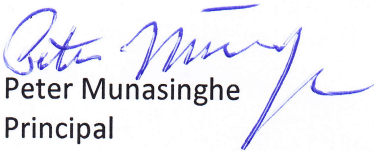

Since the COVID-19 cases are escalating, the government authorities continue extending the starting date of schools. When we have positive confirmation from the authorities, we will inform you when we are finally sure about the day we can get together. Therefore, please note that we will extend online teaching till it is safe for us to bring our students back to the classroom settings.

Please note that **4<sup>th</sup> of May 2021 is a national holiday**. Therefore, we **will not have** any online teaching on this day.

We would like everyone to be safe. Please encourage your children to follow the health and safety regulations always. Do not forget the face masks and the hand sanitizers.

We wish you good health and happiness.

With kind regards,

  
Peter Munasinghe  
Principal
