Dear Parents:

**Subject: Letter to Nursery to K3 Parents – Summer School**

Greetings from RAIS!

We are grateful to God for keeping your family and us in good health during this challenging time. We are thankful to all our parents for helping the children with online learning and partnering with the school to provide the best educational experience. As always, please know that the health and wellbeing of your family is our highest priority. We will continue to help our students fulfill their learning goals and be as responsive and flexible as possible.

RAIS Administration was very much looking forward to on campus instruction, however, due to the current situation, and keeping the health and safety of our students, parents, and teachers as priority, we would like you to take note of the following updates:

1. **Free Summer School (Baht 19,000)** – The school administration further would like to give all our students **free** summer school. Summer school classes will be held **June 23, 2021-July 23, 2021, which will be both online and onsite learning**. The school is hoping for onsite permission from the government to physically hold classes in school, until then, summer school classes will be held online. At this point we are hoping to resume onsite classes by July 1, 2021. When the government gives permission for onsite classes, we will inform you about it.

We will send you the online summer class schedule first and will send the onsite schedule later when the government allows us to do the onsite classes. The online classes will be from 9:00 a.m. to 12:00 noon and regular summer schedule for onsite classes.

Students will join the next grade level during the summer school. Our teachers will bridge the curriculum so that our students are ready for the next school year.

Nursery students will move up to K1 class

K1 students will move up to K2 class

K2 students will move up to K3 class

K3 students will move up to Grade 1 class

*(Grade 1 online summer school classes will be from 8:30 a.m. to 1:40 p.m.)*

**Attached is the summer school class schedule and summer school registration form.**

2. **Refund for Lunch Fee** – The school administration has already refunded the lunch money from **April 15 – June 11, 2021**. If you have not received, please contact our office to receive the payment.
