Dear Parents:

We pray that this letter finds you safe and in good health. We would like to let you know that we daily offer prayers and ask God's protection over all our parents, students, teachers, staff, and everyone.

As we are aware of the recent COVID-19 pandemic situation in Thailand, we do hope that our RAIS families are all safe and doing well. RAIS administration fully understands the difficulties and challenges we have been facing. We have always extended the needed help to our students and parents in the last two **academic years**. Till now, we are doing everything possible to support and care for each one of our families.

On behalf of the RAIS Administration, I would like to inform our plans and updates as follows:
