October 8, 2021

Dear parents G7-G9

This is to inform you that RAIS has been following up with the Ministry of Education about your child's Pfizer vaccine. As of now we have been informed that your child's vaccine should be scheduled toward the end of the month.

Please rest assured that we are doing in every way to facilitate the vaccination for your child. We will keep you updated once we receive more details and further information.

Kind Regards,

RAIS Administration
