November 10, 2021

Dear Grade 2 Parents:

### **Greetings and Welcome back to Onsite Classes!**

The school administration wholeheartedly appreciates you for your understanding, cooperation, and support this week. We would like to welcome our students and faculty back to the onsite classes. We are happy that our students, parents, teachers, and staff are safe. As of date, the school has not received any information of any student, family member or faculty being sick or having symptoms of Covid-19.

Please take note of the following information:

1. We request all students who will be joining onsite classes to do the ATK test **today** and submit the results in the School Pass (Google Classroom) before coming to school on **November 11, 2021**.
2. Only those students with **negative ATK results** will be allowed to attend the onsite classes starting November 11, 2021.
3. As informed in the letter dated November 7, 2021, **the school will send ATK home on November 12, 2021**. Please test the students and report the results by submitting in the Google Classroom.
4. Please note that the school has made it a priority to deep clean and disinfect the classrooms, facilities, and the building every day to ensure that our students, teachers, and staff are safe.
5. If you or your children have any symptoms of Covid-19, please do not send your children to school for everyone's safety. We request you to inform the school and consult a doctor.

May you and your family be blessed abundantly with good health and happiness.

With much appreciation,

Sincerely,

Sophia A. Manduri  
Head, Elementary School
