November 7, 2021

Dear Parents:

Greetings from RAIS! We hope that this letter will find you safe and in good health. We would like you to be alert and take precaution always to be safe as the country is now open. It is our desire that all our students, parents, and employees are safe and well protected.

The school administration would like to update you on the current situation:

1. Grade 7-9 students will be taking the second dose of Pfizer vaccination on November 8, 2021.
2. We have been informed that a parent and a student of grade 2 have tested positive for COVID-19. According to the letter sent to you on **October 12, 2021** regarding School Safety Sandbox procedures and measures, Grade 2 will be switched to online learning for three consecutive days while all other classes will still remain open and will follow hybrid system (online & on-site).
3. We had immediately checked all our teachers and staff with ATK once we received the news and all the results were negative. As of now we have not been informed of additional cases. Rest assured that we have taken serious precautions and measures to ensure of a safe environment for our RAIS family members. All classrooms and facilities are deep cleaned and disinfected even before and now.
4. The school will increase random ATK testing in the coming weeks.
5. If you or your child experience any COVID-19 symptoms, please do the ATK test and inform us if the result is positive. We would like to remind you all to please keep your guard up and follow the safety procedures.

Once again, we want to assure you that we have taken precautions and measures to the utmost to ensure of a safe and care environment before and even now.

We wish you God's blessings of protection and good health.

Sincerely,

RAIS Administration
