Dear RAIS Family: Greetings!

It is with great pleasure that I introduce myself to you as the new principal of RAIS. I am truly honored to have been chosen to be a part of this wonderful community and serve as your principal.

I thank God for His continuous guidance and protection and I am eager and excited to begin what promises to be a great year as we continue to provide academic excellence, mold character, and build relationships.

With 20 years of experience in education, I am driven by the growth and achievements of each student. I am dedicated to inspiring and upholding the ideals of our young learners. I will continue to bring my passion, enthusiasm, expertise, and love of education to further enhance our RAIS community.

As principal, I believe that it is my duty to maintain and continue to build a supportive and collaborative spirit at our school. Together, we will build on the values of the past and meet the challenges of the future.

Here at RAIS, we encourage our students to become independent and creative thinkers, to create a school culture of respect and acceptance of everyone and offer a safe and secure realm so they can achieve beyond their potential.

I look forward to working with you to embrace the challenges and celebrate our achievements. I am always here to listen and be of support. Together, we will build a strong community that commemorates diversity, fosters connectivity, and champions individuality.

God Bless this SY 2023 – 2024

Yours in Education,

Mary Megan Lartey
